

BUILDING OUR FUTURE

Milwaukee School of Languages

YOU are invited to MSL's career series.

MSL offers language immersion programs in German, French, and Spanish. We are seeking professionals/ college students willing to share information about their current career, interest, and passion.

STYLE OF PRESENTATION:

This is a panel discussion format and each presenter will have between 10-15 minutes to present. You may have a powerpoint/Google slides presentation, but it is not necessary. You can bring pictures, have an activity students can participate in or you may bring any material or item that you use in your profession. This presentation will end with a Q & A.
