Marvin Pratt School's May 2025 Newsletter

Our Vision: Marvin Pratt Elementary School will maintain its status as one of the high performing elementary schools in the state. We strive to develop a society of reflective, progressive thinking life-long learners who strive to embody the spirit of innovation, active collaboration and international mindedness in the pursuit of knowledge.

School Matters!

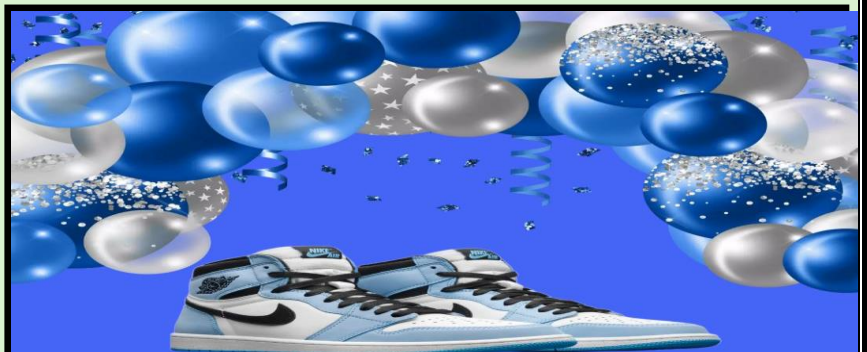

Attend Today. Achieve Tomorrow
In School, On Time, Everyday!

Fact: Attendance habits students develop while in elementary school will carry over into their lives and careers. **FACT:** Missing as few as 15 days in a school year for any reason while in elementary school could put students at a higher risk of not graduating from High School!
