Dear Rufus King Families,

During the 2023-2024 winter break from school, we are grateful to everyone for helping to restore a routine for showing up to school while supporting students and families. Let's continue to work on creating that routine in the new semester when we return on Tuesday, January 2nd.

We appreciate everyone's efforts to restore the importance of school attendance. **As long as your child is healthy, please continue to encourage showing up to class when school is in session.**

Every day of school is a vital opportunity for students to learn as well as to connect to their peers and teachers.

We thank:

- Our students and their families who do their best to show up daily even when it isn't easy.
- Our teachers who go above and beyond to make school a welcoming and safe place for all students to learn.
- Our administrators who help us work together to ensure we create a physically and emotionally safe and engaging learning environment.
- Our many, many healers and helpers - the support staff and community volunteers who provide the extra hands and attention our children need.

We appreciate each one of you. May these days off be restful and healing.

- **If your family or your child needs support, please reach out to the school social workers Tyrelle Perkins or Megan Haug for help.**
- We look forward to seeing you again in the new year when school resumes on **Tuesday, January 2nd 2024**

Thank you for partnering with us!

Sincerely,

The Rufus King Social Work Team

Access information is in the Library Resources Classroom, or through this link: <https://www.galepages.com/milw40085> (code "rufus").

LIBRARY BOOKS: All scholars may check out books from our library. The loan period is 30 school days (weekends/no school days do not count.) There are no late fees; scholars are only charged if the book is lost or damaged. If a book is overdue, an email is automatically sent to their MPS email (s1234567@mymmps.org).
