

# Good School Food Project

*A community recipe for student-loved meals*

**We need you! Join the movement to bring new and exciting meals to Milwaukee Public Schools cafeterias.**

## ***Become a Parent Ambassador for Good School Food!***

Are you a parent or caregiver who's passionate about giving students the best start? Community involvement is at the heart of our beliefs. Connect with us today to learn how you can help bring more USDA-approved, culturally-familiar, student-loved foods to MPS school meals.

By becoming a Parent Ambassador, you support good school food for our children while earning \$20/hour for participating in nutrition workshops and focus groups.
