

***Greening Congregations Initiative***

# ***FREE RAIN BARRELS & RAIN GARDENS***

*Capture water from your roof and reduce storm or flood waters from entering your home.*

*Beautify your property with rain gardens to provide habitat for pollinators and birds.*

**To qualify for a rain barrel or a rain garden:**

1. Be either:
  - (a) a property owner
  - (b) a renter with permission from the property owner to install rain gardens or rain barrels, or
  - (c) a house of worship (HOW) leader.
2. Be located in Sherman Park, Harambee, or Lindsay Heights neighborhoods.
3. Be interested and have the ability to maintain these resources.
4. Be able to attend one of our workshops on rain barrels & rain gardens installation.
